Subject: **OPPOSED** - S.B. Number 1094 "An act banning large capacity ammunition magazines"

Elected officials of State of Connecticut,

I and my family of 3 active registered voters in the town of Guilford, Connecticut are **OPPOSED** to SB #1094 and request you oppose this bill.

This bill takes away the right to own lawfully acquired standard capacity magazines, without the benefit of due process or compensation.

This bill makes law abiding recreational sportsman potential felons and serves to require the purchase of new small capacity magazines. This is occurring at a time when our country is experiencing economic hardship.

This bill potentially will result in the criminal elements of the state having a windfall of new magazines available to them at discount prices, as these criminals do not care about one more ignored law.

Lastly this bill is ineffective, as statistics demonstrate when a "criminal" uses a weapon in commission of a crime that 1 to 3 shots are exchanged.

Thank you for considering my request and my family asks for your support in **OPPOSING** SB #1094.

Sincerely,

A handwritten signature in black ink that reads "Dave Lawcock". The signature is written in a cursive, flowing style.
